THE DARK KNIGHT

Sophia Knight, a superhero or just a super slut? Is that a cape or a biker jacket? And what kind of superhero wears a bowtie on her beaded panties and plays (with herself) on a Baby Grand Piano? So many questions, so few answers—the only thing we really know about this *cum crusader* is that she's *uber-hot*, with nice long legs and a meaty, pink pussy that's primed for pulverizing! She might not fight crime, but she sure battles impotence!

BIG TOP BALL

BOP

It's the first of the month and top-heavy cock-hopper **Katie Kox** is out collecting the rent money. As head manager of the Bottom Hole Bungalows apartment complex, Katie is responsible for overseeing more than a hundred different units on a daily basis, and Joshua's unit is one of her all-time faves. Sure, the rent is a little steep, the toilets hardly flush, and the landscaping is in a serious state of neglect, but the value is in the hands-on personal services Katie provides to the renters. And it's nice to know that if you come up a little short on rent one month, it's not a problem, providing you're *long* on dick.

OCTOMOM HOME ALONE

NADYA SULEMAN LIKE YOU'VE NEVER SEEN HER!

31854

By ROB PEREZ

ALL PHOTOS COURTESY OF WICKED PICTURES

WHAT'S A 37-YEAR-OLD MOTHER OF 14 CHILDREN—including giving birth to eight at one time—to do when in need of some serious cash? Show off her fabulous lean body and surprisingly big tits and have your first sex tape distributed by Wicked Pictures—that's what!

NADYA SULEMAN...YOU KNOW HER AS OCTOMOM, THE FASCINATING CALIFORNIA NATIVE WHO GAINED GLOBAL PROMINENCE WHEN SHE GAVE BIRTH TO OCTUPETS. BUT WHILE THE TABLOIDS HAVE EXPLOITED HER STORY, NADYA HAS TAKEN CONTROL OF HER FUTURE AND HER SEXUALITY. IN HER OWN SELF-PRODUCED VIDEO, NADYA PLEASURES HERSELF SEXUALLY IN THREE DIFFERENT EROTIC SCENARIOS, WITH EACH TAKING PLAYFUL AIM AT DIFFERENT ASPECTS OF THE MEDIA-ESTABLISHED "OCTOMOM" PERSONA.

GOING FROM ONE OF THE MOST DESPISED WOMEN ON THE PLANET TO PSEUDO CELEBRITY/PORN STAR FAME IN MINUTES FLAT, IT APPEARS THAT PUBLIC OPINION HAS DRAMATICALLY CHANGED FOR NADYA SULEMAN, AS THE MASSES NOW ANXIOUSLY AWAIT THOSE IMAGES OF OCTOMOM IN THE BUFF, PLAYING WITH HER MAGIC VAGINA. FLAUNTING A FLAT STOMACH AND REMARKABLE 34DD BUST, NADYA NOW ADMITS THAT SHE'S RECEIVING PLENTY OF ATTENTION FROM MEN ALL OVER THE WORLD, EVEN THOUGH THE BIG-TITTED BRUNETTE WORKS HARD TO DOWNPLAY HER LOOKS. ADD TO THAT THE FACT THAT SHE'S BEEN CELIBATE FOR 13 YEARS AND IT'S HARD TO BELIEVE THAT SHE'S NOT BEATING GUYS AWAY WITH A STICK.

"I GET WAY TOO MUCH MALE ATTENTION, BUT I WON'T DATE UNTIL THE OCTUPLETS ARE 18," NADYA SAYS. "I LIVE FOR *THEM* NOW."

NOW THAT THE WHOLE WORLD HAS SEEN HER MASTURBATE IN FRONT OF THE CAMERA IN *OCTOMOM: HOME ALONE*, IT'S GOING TO GET HARDER FOR OCTOMOM TO ESCAPE ATTENTION FROM MEN. DESPITE VOWING NEVER TO DO PORN WHILE HER FAMILY STRUGGLES FINANCIALLY, OCTOMOM DOESN'T CONSIDER MASTURBATION PORN. "IT'S A SOLO MISSION," SHE SAYS. THIS ISN'T OCTOMOM'S FIRST TASTE OF EROTICA. LAST YEAR OCTOMOM APPEARED IN A BABY-FETISH VIDEO FOR KICK ASS PICTURES AND EARLIER THIS YEAR REPORTEDLY RAKED IN \$10,000 FOR POSING TOPLESS.

IT'S COMMON KNOWLEDGE THAT OCTOMOM WAS MORE THAN A LITTLE NERVOUS WHEN SHE ARRIVED ON THE SET OF *HOME ALONE*, DIRECTED BY WICKED PICTURES DIRECTOR BRAD ARMSTRONG. BUT AFTER CHATTING WITH WICKED PICTURES CONTRACT STAR jessica drake—who taught OCTOMOM HOW TO PLEASURE HERSELF—AND GETTING COMFORTABLE WITH THE CREW, OCTOMOM PERFORMED LIKE A PRO.

"MY FIRST SHOOT WAS AMAZING," NADYA SAID. "SUCH A LEARNING EXPERIENCE FOR ME IN SO MANY WAYS. I DON'T THINK I COULD HAVE ASKED FOR A BETTER CREW TO WORK WITH. THEY WERE SO PATIENT AND WILLING TO TEACH ME. I OWE A LOT TO jessica; SHE OPENED MY EYES TO A WHOLE DIFFERENT WORLD OF SELF-PLEASURE THAT I COULD HAVE NEVER IMAGINED. THEY MADE ME LOOK SO GLAMOROUS AND FOR THE FIRST TIME IN MY LIFE, I FELT BEAUTIFUL AND SEXY. I'M VERY EXCITED FOR IT TO COME OUT!"

OCTOMOM: HOME ALONE Scene Breakdown

Scene One shows Octomom running her fingers all over her body, and eventually stripping in front of a fountain. Four minutes in, Octomom pops her tits out and, seconds later, touches her pussy. But, Nadya never really shows off her sweet spot. Scene One sets the stage for the rest of the DVD.

Scene Two has Octomom doing laundry and in the process, she whips out her tits, sits on a stool, and begins rubbing herself through sheer panties—totally straight-up soft-core porn.

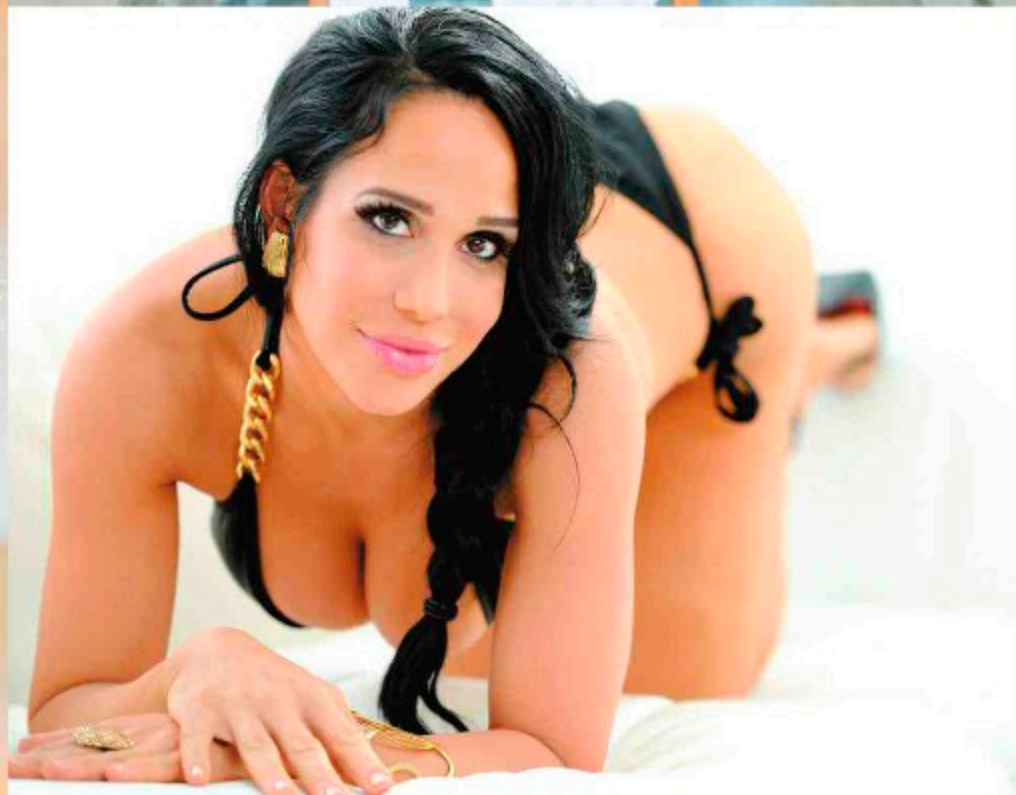

Scene Three is more of the same with Ms. Suleman looking seductive in front of a pool before moving to a bed, stripping out of her clothes and, then getting down to business. She spends most of the sex time at an angle, so you never quite see

her body from the front, but you do get to see her massive jugs. Finally, however, towards the end of the scene, one gets a very good, clear shot of her vagina. Nice and trimmed, in our expert opinion, she still looks tight!

In **Scene Four** Octomom is dancing seductively in the kitchen, and eating random items. That's all there is to report really since Octomom shows very little of her body; it's a segment that essentially focuses in on her *natural* beauty.

Scene Five is where the really good stuff starts, a full-blown masturbating scene, while Nadya relaxes in the tub. Finally we get a very good, unobstructed view of Octomom's vagina, and this time there's full-on penetration. Totally into it now, Nadya rubs herself off to a powerful climax.

FUCK MY BIG ASS 4

ANGELICA HEART

COLETTE

DEBBIE WHITE

HONEY DEMON

QUEEN CHRISTIN

STARRING: ANGELICA HEART, COLETTE, DEBBIE WHITE, HONEY DEMON, AND QUEEN CHRISTIN
WITH JJ, GEORGE UHL, SZABI, RENATO AND DIETER VON STEIN **STUDIO:** DOGHOUSE

For some girls getting fucked in the ass is a sacred pleasure, for others it's just something they do, and if you're not up for reaming their asses you can just move along, buddy. They have onion rings they want stretched and don't want to put up with amateurs.

The girls whose booties you are about to see plundered—**Angelica Heart, Honey Demon, Colette, Queen Christin, and Debbie White**—are girls who have been around the block a couple times. Probably a few blocks. Maybe even *your* block. Maybe you're just lucky like that.

We know these five guys got damn lucky and that *Fuck My Big Ass 4* is the culmination of a lot of very intense, hard-driving, butt romping. No big ass shall go unmolested, especially around these guys. Tune in, turn on, drop loads.

ANGELICA HEART With JJ

Let's start things out with the cover girl, Angelica. Probably the best known of these big asses, she does indeed have some mass on the backside and she's marketed it to every cock in the neighborhood. You can see it in her eyes when she's giving a blowjob that she's not just another cocksucker, this is a girl who spends as much time with cock as without. Her lips grab on to that stiffness and nightcrawler it back deep into her mouth, looking up for reaction which is always the same: amazing.

Some guys are surprised when she just wants to take it up

the ass, but few protest and she doesn't deal well with protesters. But rather than bashing their heads or giving them a face-full of mace, she sneaks their cocks into her rear-hole and they quickly become believers. JJ didn't have to be asked twice before he let her mount and slip it in her.

With no problem she was able to settle on his thick and long shaft, riding like a wild, young girl, her hair flying, and big tits bouncing as she used his cock as her own fleshy pogo stick. JJ took his control positions, too, and squirted his load on her ass after banging her doggie on the chair. Time for her to wipe off and go looking for another guy to do her again.

Massive ass artist Angelica bounces on JJ's fleshy pogo stick until it burps white splodge. Pure anal excellence personified.

COLETTE With Szabi

Colette's boyfriend isn't around and he's become such a drag lately anyway, good riddance. Lucky that the tattooed neighbor Szabi has no qualms with banging the girl next door, even if he is a friend of her boyfriend.

We don't know where the BF went, but we know Szabi was over in a flash and Colette was already naked, her pussy wet and she was using her juices to dampen her asshole. He doesn't need an invitation to get hard and she sucks his cock hungrily then lets him in her pussy, telling him it's so wet that she wants him to use it as lube to bang

her butt. He looks like he about busts his nut when she says this, but he regains control and keeps pumping.

Bent over the couch he continues in her snatch before finally taking the A Train. It gets her howling like crazy, she's even tighter than she thought she would be, or maybe Szabi's cock is bigger and harder than usual, but the friction is there and it isn't long before Colette's ass is covered with the neighbor's load. She's tempted to keep it there until her boyfriend gets home, but she's not standing up for the next two hours just to shove it in his face. Maybe *he'll* shove something in *her* face for a change. It's hope that keeps them together.

Sacrificial meatpole Szabi applies the proper condiment to next-door neighbor Colette's abundant onion ring.

DEBBIE WHITE With Dieter Von Stein

If there was a time when Debbie was an anal virgin, she doesn't remember it. The first time blurs with the last time and the thousand times in between, but when she has that cock in her ass it seems unforgettable. She doesn't make Dieter work for it, but he doesn't take his opportunity for granted, even if she might not recognize him if they see each other later today.

He'll never forget that ass, which he watches closely as he

fucks her hard just as she demands. She can still squeeze that rectum tight and at one point he's almost stopped from thrusting until she unclamps. Her little way of showing some control and maybe trying to convince herself that she's not an ass slut.

Dieter bangs to differ, turns her over and pries her rear open and immediately she's howling like a first-timer and he's the one banging like an old pro and he gets her begging for him to pop on her face. He works up a good one and gets her in the mouth and on her pretty face.

Dirty Debbie likes her Sprocket soiled and sullied. Our man Dieter dances the brown eye until his default button goes pop.

HONEY DEMON With George Uhl

George is not a doctor, but what Honey needs now isn't exactly medical attention; she needs a penis injection and she's not looking for something needle-sized to bang with.

Our friend George does have the qualifications she's looking for and happens to be in the hospital at the same time as our sick girl. They find an empty room and get down to the sexamination. They make quick business of clothing removal and get down to lapping at each other. "I don't know how long we'll have this room," she says. "The lobby seemed kind of full, I think you should fuck me now."

He gives her pussy a push, it's as warm and juicy as it looks, then, at her insistence, he gets to the backdoor. The girl doesn't want to get banged and not feel it all, so if they're going to get busted she might as well have his tool lodged in her bunghole. Turns out the only thing that gets busted is his nut, which creams her ass cheek good after the girl has already cum multiple times. A little anxious, but overall she's a great patient.

Honey's demon-lust for anal tomfoolery ends with her recording multiple orgasms and one slick tush.

Cock A Doodle Doo:
Anal airhead Little
Queenie can't converse,
but her *pendejo* is
Asshole Heir Apparent.

QUEEN CHRISTIN With Renato

Little Queenie might be the most single-minded of all the girls. Cock, cock, cock, cock, it's like it's the only word she's ever learned to say. "You want my cock in your mouth?" Renato asks. "Cock," she replies. And so it begins. Whatever the question, cock is the answer.

He asks if she wants him to fuck her pussy. "Cock." So he does screw that cat until she is practically scratching him with intensity, crying out like she's in heat. She seems ready, so he asks about the ass. Same answer: "Cock." Well, insert here and watch the girl go even wilder. He knows he can't tame her, so he takes her as he can, and then lets her go completely insane as she rides his cock in a reverse cowgirl where you think her head just might start spinning. It would have been less surprising than in that other movie where it happened.

Finally done having his way with her, Renato tells her that he wants to squirt on her tits. What's she say to that? Of course. "Cock." She gets down on her knees and squeezes her knockers together and lets him blow. Then he gets out of there before he has to have another conversation with her.

PARODY: Not To Be Taken Seriously

HIGH SOCIETY 57

It's the start of another football season, and what better way to *lick* things off than with an overly-friendly game of touch balling between the **San Francisco Scoregasms** and the **Minnesota Muffdivers**? **Kirsten Price**, **Karlie Montana**, and **Nina James** squared off against **Brett Rossi**, **Nicole Aniston**, and **Sammie Rhodes** in some panty-pulling, heated hijinx that had more to do with licking ass than kicking ass! But the best part of the game came at halftime, when the girls stopped playing by the rules and started playing with each other!

The two are inseparable—they go shopping together, talk about boys, and even have sleepovers where they lie around in bra and panties and play truth or dare. The two share intimate secrets, sex toys and even panties. But now that Callie has her first real boyfriend, Ariella hardly ever gets to see her best friend. Luckily for her, Callie desperately needs her expert help. Her boyfriend, James, is hard as rock iron and wants her to suck him off, but she's never ever given head before. She doesn't even know where to start. Lucky for her, her BFF is a MILF who happens to be an expert cocksucker. And she's got something to teach the both of them.

THE RETURN OF "MAD MAX" HARDCORE

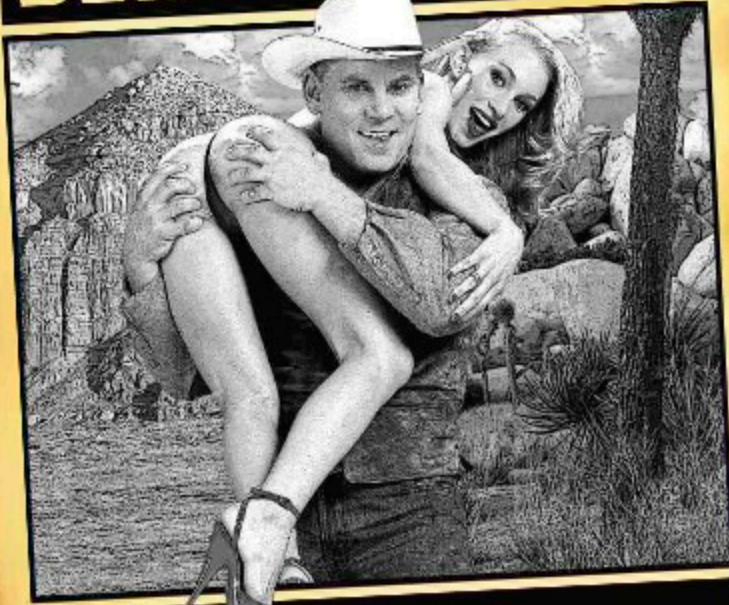

"THE DIRTIEST MAN
IN AMERICA"
TAKES HIS SECOND
CHANCE

Interview by MARC MEDOFF

ON JANUARY 2, 2011, UNITED STATES FEDERAL PRISONER # 44902-112, PAUL F. LITTLE/AKA MAX HARDCORE, WALKED OUT OF THE FEDERAL CORRECTIONAL INSTITUTION AT LA TUNA, JUST OUTSIDE EL PASO, TEXAS. FREE AFTER SPENDING TWO LONG YEARS INSIDE THE SPRAWLING DILAPIDATED PENITENTIARY IN THE MIDDLE OF THE SCORCHING DESERT, THE NOW-54-YEAR-OLD MAX IS LEANER, TANNER, AND MORE CLEAR-EYED THAN EVER. INDEED, IF THE DEPARTMENT OF JUSTICE'S GOAL IN PUTTING HIM BEHIND BARS WAS TO ULTIMATELY "BREAK" MAX, THEY HAD CLEARLY FAILED. *HIGH SOCIETY'S* EXCLUSIVE INTERVIEW WITH THE STILL-ON-PAROLE HARDCORE TOOK PLACE OVER SEVERAL DAYS AT HIS PALATIAL SUBURBAN ESTATE IN ALTADENA, CALIFORNIA. THE DOWN-BUT-NEVER-OUT PORN-PROVOCATEUR WAS CANDID ABOUT HIS ROCKY PAST, HIS THIN-ICE PRESENT, AND WHAT THE FUTURE NOW HOLDS FOR "THE DIRTIEST MAN IN AMERICA."

**WANTED
DEAD OR ALIVE**

**Max Hardcore
WANTED BY THE FBI**

HIGH SOCIETY: *How does it feel to be free again after spending two years in prison for the "crime" of making a movie that jurors were offended by?*

MAX HARDCORE: Great. It feels beyond great. It was two years of my life, that's a lot of time no matter how you look at it. And it didn't go quickly, I wish I could say it did. And there were a lot of days and times when I wondered if it would ever end, if I would ever get out of there. But my focus the entire time was on staying positive, making the best use of the time I had, and looking forward to the future. That's what got me through, having a positive attitude.

HS: *Unlike the typical "criminal," your "crimes" had no actual victims. There weren't any members of the public that filed a complaint against you, the performers in your videos had no grievances—one [actress], Summer Luv, even testified on your behalf at the trial that she loved working*

for you. None of your customers had any complaints, either—just a government agent who bought and viewed your videos, and a jury who were forced to watch them by a Federal judge. The irony and injustice of what you were charged with must frustrate you beyond belief.

MAX: Well, it does. It really does. What I was doing, was really no different than what any other member of the adult industry was doing: acting, directing, and producing X-rated videos. There was never any question that everyone in my movies was 18 [or older], they were all willing participants that were paid, and none ever had any issues with me. My fans loved [my] stuff, and the retailers, wholesalers, and websites all carried my materials. Everyone was happy—except the U.S. government, which at that time was the Bush Administration, and for the first time in a long time they started to investigate pornographers. Prior to the [George W. Bush] Administration, under Clinton, [the government] focused on prosecuting child

pornography, which they should have done. But Bush owed his right-wing backers payback, and so the DOJ [Department Of Justice] created this Obscenity Task Force [OTF], and they went looking to put someone in jail. That someone turned out to be me.

HS: Of all the high-profile porn producers targeted by the Bush Administration, everyone—Extreme Associates, John Stagliano, JM Productions—either took a plea deal, or got off on a technicality. You were the only one to fight to the bitter end. In retrospect, do you wish you had copped a plea?

MAX: That's all hindsight. I don't waste my time thinking about "what-if" scenarios. I am proud that I fought them, but I regret that I lost. That having been the way it worked out, I am happy to move on, but I would say this: In terms of advice to anyone else put into my position, consider all your options. Going to jail and losing your livelihood, friends, and family for years is serious shit. It's great to fight the power, but when you lose, it doesn't feel so great.

HS: It was pretty clear that you didn't receive much help from your friends in the adult film community during your prosecution. Your distributor dropped you, and none of the major porn magnates came to your aid financially. Did that anger you?

MAX: No, not at all. I had a lot of support from the people who matter most: my fans. Financially, sure, the case destroyed me, but I take full responsibility for the type of movies I made, and the consequences [that resulted]. Whenever someone in our business has a legal problem, we all know he is on his own.

HS: Describe your prison experience? The jokes on the Internet, of course, implied that now that you were behind bars, you were on the "other end" of the sex in the clink?

MAX: [Laughs] No, there was none of that. It wasn't that kind of place. First, I spent months in the downtown Los Angeles Federal Metropolitan Detention Center (MDC), then they moved me to the

Back In The Saddle Again:
Mad Max Hardcore has now set his sights on happy trails once again.

HS: While in the Los Angeles pen it was reported that one of your cellmates got mouthy, that there was an altercation,

told them I was there because I made a movie. They couldn't believe it. It was like, "What the hell are you doing here, man?"

BUSH OWED HIS RIGHT-WING BACKERS PAYBACK, AND SO THE DOJ CREATED THIS OBSCENITY TASK FORCE, AND THEY WENT LOOKING TO PUT SOMEONE IN JAIL. THAT SOMEONE TURNED OUT TO BE ME.

penitentiary in [the Federal Correctional Institution, La Tuna in Anthony] Texas. It was all very professional, all the time. No one ever tried anything. The prison itself wasn't bad, but [it] was built in the early-1800's, a very old, run down place. But it was still a lot better than the MDC in Los Angeles. We actually got to go outside. There [at MDC] we were locked indoors 24/7.

and you beat him down and was placed in isolation.

MAX: There was a problem. I took care of it. No big deal. But people in prison knew who I was and a lot of them were curious about me and the porn industry. It was funny, I would be hanging out with some of them. One guy would say he was in for bank robbery, the next guy [would say] for assault, the next for theft, and me? I

It was a good question. But I spent my time working out, reading, and making myself stronger mentally and physically. I had been drinking too much before that, and I'd gotten sloppy in my habits. Prison gave me the opportunity to tighten up my act.

HS: As an ironic twist, you happened to serve your time in the same prison as

another notorious Los Angeles pornographer, Robert Black of Extreme Associates. Black was also charged by the Feds, but he pled guilty and plea-bargained his case down to less than a year, and got out well before you did. Did you two hang out together behind bars?

MAX: I actually didn't see much of Rob because prison is a big place, and [there were] lots of different shifts, so you don't necessarily see a lot of the people in there unless by accident.

HS: Did it irk you that he got such a light sentence while you had to sweat it out for years?

MAX: No, not at all. He pled out, that was his decision, and I have no problem with that. I fought to the end, used up all my

you are up against it, because they can spend all the money and time they want to fuck you, there's no limit. So unless you are a zillionaire, you are screwed, no matter what happens. If I had won the case I would still have been nearly bankrupt.

HS: You directed over 350 hardcore movies, and starred in more than 500 films. You were fucking some of the hottest women in the world on a daily basis, and then, all of a sudden, no more pussy for two years. How did you cope?

MAX: [Laughs] I took the situation in hand, and made do. You adapt, you adapt. I certainly had a lot of memories to work from [Laughs]!

HS: Who was the first girl you fucked

it like to put your cock into something other than your right hand?

MAX: Like riding a bicycle, I just picked up where I left off. I'm afraid I went a little overboard with her for a few days, and left her a bit sore. But hey, that was two years of pent-up horniness, you know.

HS: You remain on parole for several more years. Where does this leave you now, in terms of making more movies and getting back into the high-profile Max Hardcore mode?

MAX: I am free to do whatever I want in terms of making porn. No restrictions at all. There's random inspections at my house, and drug testing, and stuff like that, but I am clean 24/7 so there's never a problem. I am spending a lot of my time

I AM A BETTER PERSON NOW THAN I WAS BEFORE THE PRISON SENTENCE. I AM MORE PATIENT, UNDERSTANDING, AND READY TO RECOGNIZE MY FAULTS AND CORRECT THEM—AND ACCEPT IMPERFECTION IN OTHERS. BUT I AM GOING TO BE ME NO MATTER WHAT. THERE IS NO "MAX-LITE."

cash on lawyers, appeals, all that crap, and I lost. So I had to bite the bullet, but it could have been worse. One of the possible penalties that the jury had to decide was whether the government could take away my house [in Altadena, California] or not, because that was the place I made the movies in question. The jury spared me that, and let me keep the house, but they could have just as easily taken it. When you go up against the government

when you got out?

MAX: My wonderful gal-pal Layla Rivera. I had been dreaming about her for two years and she made it worth the wait.

HS: Was Layla faithful to you while you were away?

MAX: [Laughs] Yes, in her heart she was, in her pussy, I don't think so.

HS: After no sex for two years, what was

working on the online release of my movies, hundreds of them, and then DVDs as well. And then I have new and also unreleased films that I will be putting out. *Universal Max 14* is the first of them.

HS: Which brings us to your style of porn, and what got you charged in the first place. You are known for sexually roughhousing with the girls in your movies: Hard non-stop anal fucking, spitting, and deep-throat suck-jobs. All over-the-top stuff that made you rich and famous, and now, a convicted felon. Are you going to change the way you make movies?

MAX: I won't be putting out the European-versions of my movies for some time to come. Those are the ones that really ticked the government off. They are the most over-the-top, and I really am not interested in returning to prison—not in this lifetime.

HS: You were actually in the legal crosshairs for a while. You were charged by California authorities with similar obscenity charges over a decade ago, but beat the rap. Not long ago you were featured in a CNBC-TV segment on pornography in which they officially dubbed you "The Dirtiest Man In America." Is this kind of notoriety the type that's going to keep getting you in trouble?

MAX: [Laughs] I sure hope not. They said I am officially "The Dirtiest Man In America," so I guess I now have a reputation to uphold! Look, I am not going to go out of my way to get busted, but this is America, and I am an American, and I have rights, and I am going to do what I do. Freedom is freedom, damn it! Eventually, all these

31877

obscenity laws are going to be [found] unconstitutional, but I am not going to go into hiding until that day. I am a better person now than I was before the prison sentence. I am more patient, understanding, and ready to recognize my faults and correct them—and accept imperfection in others. But I am going to be me no matter what. There is no "Max-Lite."

HS: *The prevailing wisdom in LA porn circles is that had you simply softened your scenes—not focused so much on the edgier stuff—that this [Federal prosecution] would have never happened to you. And, that your particular brand of porn not only got you nailed, but brought unwanted attention on everyone else in the adult industry producing content.*

MAX: Bullshit! When I started doing my thing back in the early 90's, it was a theme that certainly made me stand out from the pack, as very few producers were pushing it like that. But these days, lots of directors are doing this kind of stuff—probably ripping me off in the process [Laughs]. There are almost no taboos anymore, just so long as everyone is a consenting adult. And that's what just makes this whole thing so insane at its most fundamental level. I was prosecuted for five movies that no one complained about! No one! I was the victim of a "sting operation" run by the U.S. Department of Justice and U.S. Postal inspectors. That's it! The performers had no complaints! No one who bought the

movies complained! So what was the problem! So they impanel this jury, a bunch of people in Florida who had *never* seen my movies, and would never buy my movies, and they make them sit there and watch me throat-fucking girls! So of course, they are horrified! This ain't their thing! I sat there in court, and watched their faces as they reacted to the movies being shown in court. At that moment I knew I was fucked.

HS: *Do you think that your flamboyant public persona is a double-edged sword? Certainly the mansion, cars, girls, and the wild outfits add to your porn celebrity mystique, but don't they also make you the subject of unwanted scrutiny?*

MAX: I was very successful, I made a lot of money, and a lot of people made a lot of money from my products. I was always proud of that and my lifestyle reflects that. We're having fun, and we will always have fun. Does that mean that it will attract attention? Maybe from people you don't want it from? Yes, of course, but I am not going to live in a cave, or go into hiding, or be concerned about what other people think of me. I want to work hard, appreciate the people working with me, and enjoy life. And if that bothers others, well, I will deal with it as it comes.

HS: *Are you back in full production yet?*

MAX: I've already shot several new scenes, and I am very happy with them. But it's

going to take a while to recover financially from the two years we lost. Most of my staff had to go, in addition to the expensive cars, and I had to really reach to save the house; but I have, and the office is back up and running. I am also starting to go out in public, attending parties, award shows, all the things we used to do. Layla goes with me a lot, it's good for photo-ops and lets everyone know we are back in business.

HS: *One of the things you were most famous for were your trips overseas with the girls, and some of the wild circumstances that ensued: fucking Summer Luv while hanging outside the door of a helicopter flying over the beach in Rio De Janeiro, Brazil, and the brawl that broke out in your hotel lobby in Barcelona, Spain. This is the stuff of legend. Are you planning to resume your worldwide jaunts?*

MAX: [Laughs] I forgot about some of that stuff! Yeah, those were the days. The trips to Europe and South America were always fun, and we got to shoot some great stuff. I can legally go wherever I want, although technically I have to get permission from my parole office. But finance-wise we are going to have to hold off on the more extravagant projects until we get a firmer ground under us. But it's all coming, it's all coming back. I don't think any of the fans, or the film critics will be disappointed with the post-prison Max Hardcore. And if they are? Arrest me!—Just kidding!

TERA PATRICK

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—THERE IS VIRTUALLY NOTHING PORN SUPERSTAR TERA PATRICK HASN'T ACCOMPLISHED DURING HER LONG AND DISTINGUISHED ADULT FILM CAREER. APPEARING IN HER VERY FIRST *HIGH SOCIETY* INTERVIEW THREE YEARS AFTER RETIRING FROM THE BUSINESS, THIS CHAT WITH US IS THE FINAL NOTCH ON HER XXX GUN BELT. TERA HAS FEW, IF ANY, RIVALS IN THE HARDCORE BUSINESS, YET SHE'S ALWAYS BEEN QUICK TO ACKNOWLEDGE THOSE WHO HAVE HELPED HER BECOME THE STAR SHE IS TODAY. HAPPILY RETIRED, AND VOWING NEVER TO RETURN TO PORN, TERA CONTINUES TO SHOOT CONTENT FOR HER WEBSITE, *TERAPATRICK.COM*. NOW A MOTHER WITH A HANDSOME NEW MAN IN HER LIFE, SHE IS FOCUSING EXCLUSIVELY ON HER REAL PASSION, MODELING, WHILE LIVING A VERY NORMAL LIFE. NOT SURPRISINGLY, HER RABID FANS REMAIN FIERCELY LOYAL, AND TERA TELLS US THAT SHE MISSES INTERACTING WITH HER FANS MOST OF ALL. INDEED, THE PURPOSE OF THIS INTERVIEW, SHE TOLD US, IS TO REACH OUT TO HER MANY FANS ONE FINAL TIME TO LET THEM KNOW HOW MUCH THEY MEAN TO HER. IN ADDITION, SHE WANTS TO THANK ALL OF HER INDUSTRY PALS AND EXPRESS HER GRATITUDE FOR THEIR FRIENDSHIP OVER THE YEARS AND TO ASSURE THEM THAT ALTHOUGH SHE'S LEFT THE BUSINESS BEHIND, SHE HAS NO REGRETS. WE'VE ALWAYS FELT HONORED TO HAVE TERA GRACE OUR PAGES, AND FOR THIS, HER FINAL INTERVIEW, WE COULDN'T BE MORE PROUD.

HIGH SOCIETY: *Congratulations on becoming a new mom! How does it feel?*

TERA PATRICK: It is unbelievable. I think she is my best work ever. Her name is Sophia, she's six months old and it's the most amazing thing. I'm so happy.

HS: *You also just did a burlesque show in Atlantic City. How did you get involved with that and will you be doing any more burlesque in the future?*

TP: It was at the Revel Casino and Hotel, the weekend before Memorial Day. My dear friend Ivan Kane, he owned a club called 40 Deuce. In 2004, I had stumbled upon his club here in Los Angeles; then he opened another one at Mandalay Bay in Las Vegas. I remember seeing the girls dancing in there and it was really beautiful. I was like, "Wow!" It was a striptease, but it had a little more dancing, more of a showcase. It was just beautiful. So, yeah, I'm going to keep performing this year.

HS: *You're preparing to release your second book, please tell us about it. Is it the sequel to your first book, *Sinner Takes All*?*

TP: My memoir, *Sinner Takes All*, came out in 2010 and it was basically about my whole life, childhood, how I got into the industry, and up [thru] my life in 2009. I talked about how I retired that year from the industry. My second book should come out before the calendar year is up. We're hoping for a Christmas/New Year's Day release. I basically talk about my life today. Now I do mostly modeling. I've retired from the porn industry, but the porn industry is the reason why I am able to move on to other things. People think I retired to go [into] mainstream. I have no desire to be an actress. I have no desire to do mainstream. It was so *not* for that. It was so I could start a family, so I could dance. There's only one role I would actually take the time to prepare and audition for and that I would really want, but I don't know if the movie will ever get made.

HS: *What movie is that?*

TP: I'm a huge Russ Myer fan and I love that he was so obsessed with boobs because everybody is a butt person. I'm a boob person. I don't care what's behind [me] because it's behind you. I'm looking in front, so I love boobs. I have always wanted to do *Faster, Pussycat! Kill Kill!* That role is my role.

HS: *If someone were to offer you a bit part in a mainstream project, would you consider acting in it?*

TP: It depends. Honestly, I'd say no because I get offered a lot of stuff. You'd be surprised. People always say, "Oh, you should act and do this." I get offered stuff all day long. I'm just not going to be in a bikini in a hot tub with Tom Hanks. Let's be real here, I could keep doing porn and make tons of money. I'm not driven by that

anymore. I've done so much. Creatively, I need to be challenged by something else. When you say small part, yeah, if I was playing something of interest like *Faster, Pussycat! Kill Kill!* or if they remade *The Seven Year Itch*, something classic. I go to the silent movie theater. I'm not really into anything new and techie. I kind of still live

People think I retired to go [into] mainstream. I have no desire to be an actress. I have no desire to do mainstream. It was so *not* for that.

in that old era. I live in Marlena Dietrich's old house. I just feel very connected [to it]. That's why I love burlesque so much. I feel very connected to when things were a little bit classier and simpler.

HS: *Are you still very much tuned-in to the industry?*

TP: Some of it. I don't know who a lot of the girls are, personally. I never met them, but I get such an influx of girls who Tweet me or talk to me all the time and ask me for advice, and I'm always more than happy to help. I don't know the girls now,

but I remember all the girls I worked with—Jewel D'Nyle, Brianna Banks, Mary Carey, Janine, Nikki Tyler, Taylor Wane, Taylor Hayes—it was just such a great time. We would all have fun.

HS: *You may not know the girls, but do you still watch porn and, if so, what girls do you like?*

TP: When I watch porn, I'm a really big fan of Andrew Blake. I'm more into erotica. Hardcore does nothing for me. I hate to say this, but I'm not into something so blatant and in my face. I love tease. I love Angela Sommers. I think she's really beautiful and so sweet. I think Destiny Dixon has a great body. I love how she models and moves. Two people that I never got to work with, but I still love are Sylvia Saint; I always thought she was so beautiful. And Rocco Siffredi, to me he's like the Robert Redford of porn. I like Asa Akira. I would run into her a lot.

HS: *This is going to sound like a silly question, but do you identify more with the Asian performers?*

TP: Yeah. I would always say, "I'm the Asian JLo." [Laughs] Charmane Star is my best friend, but I've always been her big sister. I've always been a bit more maternal to the girls. We always would laugh because they all come up to my boobs. I'm super tall and they would always crouch under and I would hold them. It was just sweet. It's always been like a sister relationship with a lot of the Asian girls. I think because I am that ethnicity we have kind of the same quirks or the same sexy thing about us.

HS: *What is the status of Teravision? Does the studio still produce movies?*

TP: I'm the sole owner of Teravision, I always have been. I have a huge, huge catalogue and huge library. I did four of Sasha Grey's biggest movies and Dave Navarro directed the first one for me. I'm really proud of that. I did so many great collaborations with Chi Chi Larue and with Vivid, so I still have my company, but we're not actively in the business of production.

HS: *You won't return to porn, but what about producing it?*

TP: No, not at all. I don't really want to. I love what I have and Gamma's Fame Dollars, who do my website along with Peter North's, Rocco Siffredi's, and Sylvia Saint's sites, I'm so happy to be with them. I'm going on 10 years with *TeraPatrick.com* and with being with Fame Dollars. They produce a lot of stuff for me that goes on [my site]. I actually shoot with Holly Ran-

dall. Holly shoots me a lot and she shoots a lot of my content for *TeraPatrick.com*. So it's really nice because her mother, [famous adult photographer] Suze [Randall] was the first woman to ever see me naked and shoot me for the very first layout I ever did; I think it was for *Mansworld*.

HS: What would you say were some of

your top career highlights?

TP: Oh wow, the first award I ever won which was "Best New American Starlet" at the Hot d'Or Awards was unbelievable. That sticks out in my mind. The first *FHM* US and UK covers I ever did in 2006. Ironically, doing *Aqua Teen Hunger Force*, I spent the whole episode on all fours. That was rad. I love that show. Doing Comic Con for the first time a couple of years ago. I shot my own horror movie for the first time in Jakarta last year, *The Moaning of the Virgin Ghost*. I'm really proud of that. It's a horror movie that I'm hoping to release in the U.S. next year. It's already been screened and released in Asia so I'm hoping to bring it over here this year.

HS: That film is very popular. Do you feel the movie was popular abroad because you're half Asian?

TP: Yeah. Like I said, I'm their JLo. Everybody needs a mascot and I'm the Asian girl. Who else do Asian girls look up to, Lucy Liu? I mean she's cool, but she's not a sex symbol. Now [because of] Kim Kardashian, every Middle Eastern girl is super proud to be Armenian. That's the beauty of today. Women are embraced for everything. The stereotype for so many years was "blonde silicone"—nothing against Jenna Jameson, she dominated the industry for years. But when I came along people were like, "She's different."

HS: Do you credit yourself for helping to break down the doors that now enable today's porn stars to make the transition from adult to mainstream?

TP: I do, but I also give credit to Jenna. I say Jenna kicked down the door and I just kept shaking their hands, meaning that Jenna was really the first one to get people to have faith in a porn star and say, "Wow, we can make a little money with a

was on Howard Stern, now all the girls are on Howard Stern.

HS: I'd like to mention several names of people in the adult industry and I'd like you to give me your opinion on each:

Steven and Marci Hirsch at Vivid

TP: I adore Steve and Marci. My two longest relationships in the industry are

it's always been nice in passing, and we've always said positive things about each other, but we don't know each other. My dealings with her have always been good. Like I said earlier I do give her a lot of credit.

Sasha Grey

TP: I haven't seen or spoken to her since 2009, but I'm happy for her. No matter

How can you compare 10 years ago to today? Aren't we ever going to move on? Bottom line is, it's just a bigger piece of the pie now with more people taking slices.

porn star." Then I kept shaking the hands and kissing the babies. They said, "We can bank on Tera Patrick as well." Jenna did the first video game, I did the second video game, now all the girls are doing the video games. She was on Howard Stern, I

Vivid and Gamma. Steve and Marci have always been great. I love working with Vivid. They're awesome.

Jenna Jameson

TP: I've met her three times in my life and

what you choose to do just embrace it completely, and I am so happy for anyone who finds success in any medium that they do. Whether you're doing it for peanuts or tons of money, just as long as you're doing positive things and you love what you're doing, then I'm all onboard for that.

Belladonna

TP: I've never seen anything of Bella's, but I can tell you we always hug each other and kiss each other when we see each other at a convention.

Ron Jeremy

TP: Ron is the sweetest guy. [He] actually was one of the first people I met in the industry that gave me very good advice, which I definitely took to heart, which I also pass onto other girls. Ron told me to save every penny.

Savanna Samson

TP: I love Savanna. Savanna was [in] my first girl-girl [scene]. We had champagne and girl-girl sex. That went down in history in *Tera Tera Tera*, one of my favorite

movies definitely because of her.

HS: *Do you feel the industry's best days are behind it?*

TP: How can you compare 10 years ago to today? Aren't we ever going to move on? Bottom line is, it's just a bigger piece of the pie now with more people taking slices. So you're always going to have the same five guys that say, "Back in the day," and those are the ones that refuse to evolve. There's still money to be made. It's like the music industry. The technology has improved and we're moving into a more digital era. It's not just with the porn industry, it's with every industry. I don't think it's behind us, but the profit margin is get-

ting narrower just because of how we're distributing the medium, the way we're distributing what people are creating.

HS: *What are your thoughts on the Mandatory Condom Law requiring condoms to be used during sex scenes?*

TP: For the performers, everyone needs to just be aware that by not wearing protection they're really exposing themselves to things that are out there. I've heard every argument about it and I will say that as a former performer, the only pressure I ever received to not use condoms was from the directors, never from the performers. At the end of the day you have to protect yourself. If you're going to work in the sex

industry today, whether you're a male performer, female performer, transgender, or gay, I think it's a good idea.

HS: *Anything you'd like to say in closing to your HIGH SOCIETY fans?*

TP: I love my fans and thank you for the opportunity.

THE FUCK-IT BUCKET LIST

Story by PETER THOMPSON

Illustration by WAYSNAK

Binge-drinking Hollywood swashbuckler, degenerate womanizer, and fiery jailbait aficionado Errol Flynn regularly contended that “any man who has \$10,000 left when he dies is a failure.” Flynn died anything *but* a failure.

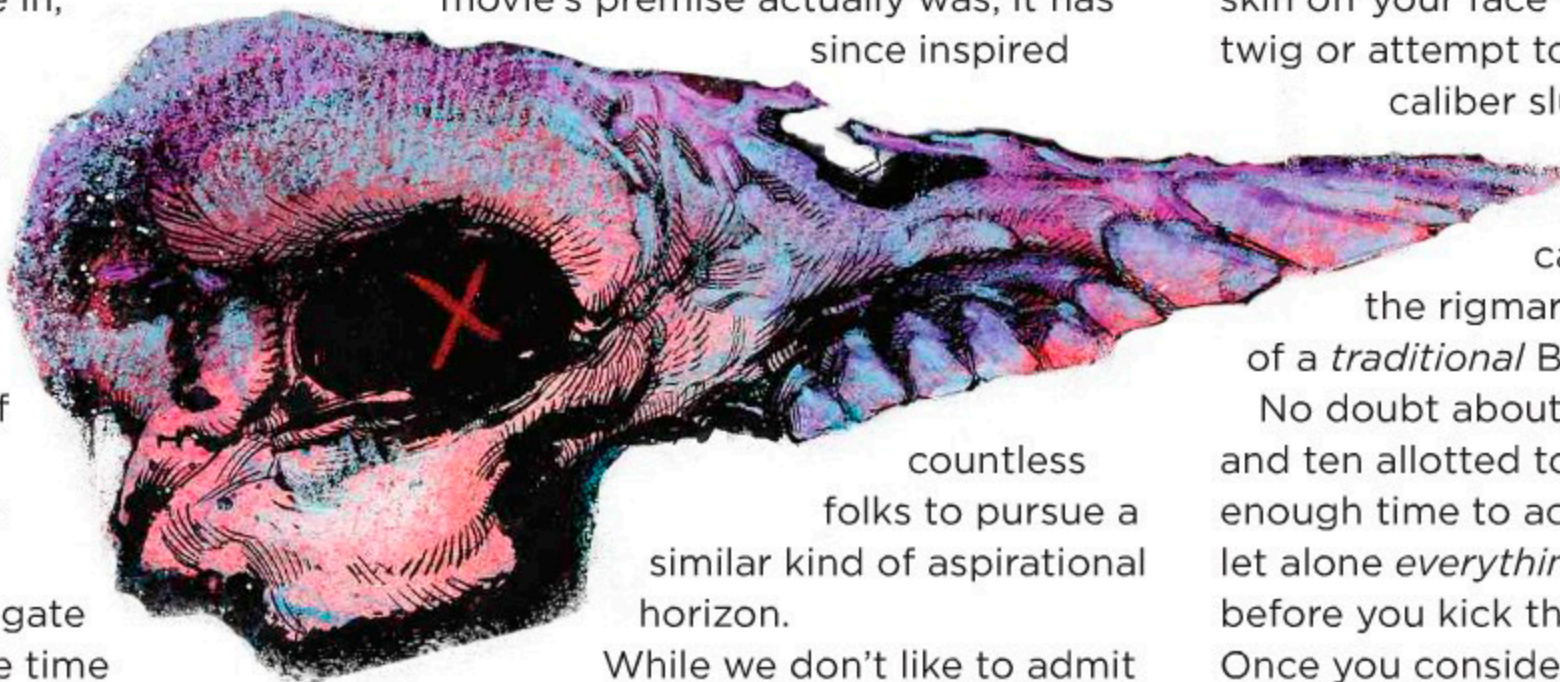

By the ripe old age of 50, the once svelte and suave leading man had dissipated into the downward spiral of flabby alcoholic bloat brought on by habitual weeklong booze, dope, and bitch benders. He suffered a massive coronary while bugging a barely legal broad and allegedly died the same way he came in, with a cum shot.

While his bank account was much healthier than his cracked, fissured, and crud-clogged arteries, it wasn't for lack of trying. The Tasmanian Terror's fiscal vigor simply outlasted his profligate lifestyle. But by the time Flynn finally fucked himself out, the legendary lecher had done much more than most men dare, having achieved many of life's grimmest sex

final fantasies as possible before they rotted into sod, the idea of a “Bucket List” has become a solid fixture in the cultural lexicon.

In the movie, the still-spry seniors are simply waiting around for their mud holes to be dug and their prognoses realized when they decide that going skydiving, caviar gobbling, and riding motorcycles atop the Great Wall of China might be more fun than spending the last of their good days laying in the fecal stink and soupy filth of their hospital beds.

As painfully implausible as the movie's premise actually was, it has since inspired

countless folks to pursue a similar kind of aspirational horizon.

While we don't like to admit it, most of us are, in fact, going to die and the majority of us will likely die pathetically unfulfilled, unlived lives, having spent most of our best years

dreams. People need road maps, or, alternatively, to write down their goals if they want to get what they really want out of life. Every day is a new beginning. All that's up to us is to be willing to explore—to take chances and walk out onto the wing—to live on the edge a little. You know—take the road less traveled. You know: all that Dr. Phil and bookstore bullshit.

Granted, there's enough hoary cliché and human wreckage in this brand of pop psychology to fuel a Tyler Perry sitcom—enough smarmy, tedious bullshit to make you want to peel the skin off your face with a sharpened twig or attempt to swallow a .38 caliber slug or two. That's

why, in good consciousness, I cannot recommend the rigmarole and heavy cliché of a *traditional* Bucket List.

No doubt about it—the three score and ten allotted to men is hardly enough time to accomplish anything, let alone *everything* you want to do before you kick the proverbial bucket. Once you consider all of the bullshit you have to do day in and day out just to survive, it's hardly enough time to *paint* a fucking bucket.

The dilemma is that most Bucket

MY BUCKET LIST INCLUDES ANYWHERE AND EVERYWHERE THAT HALF-PRICED HOOKERS, NUDE BEACHES, SEX CLUBS, CHEAP BEER, LEGAL PHARMACEUTICALS, AND LOOSE WOMEN ABOUND.

goals, stretching countless rubber holes into gum and gristle.

The rakish rogue might not have kept a Bucket List per se, but had he bothered to keep a living record, it's a sure bet that the silver screen superstar would've been able to check off each and every goal his refreshingly revolting mind could have thought up.

The quintessential “Bucket List” is now an indispensable cultural meme, obligatory scorecard, and principal planning tool in many a man's future plans. Ever since the release of the malodorous buddy movie of the same name in 2007, starring Jack Nicholson and Morgan Freeman as terminally ill codgers sharing a hospital room and deciding to play out as many of their

chasing money, tight vagina, and the fleeting mirage of security, leaving us generally dissatisfied with mostly everything—most of us will end up horribly miserable old people, the life force slowly but surely rotting out of us like watermelons in the trunk of a hot summer car. While sitting around waiting for the “good part” of our lives to begin, our best years fall rapidly behind us until one day we find ourselves in those same hospital beds dying quickly, having never actually lived. Not even once.

Barmy talk show psychologists with wormy upper-lips and booming Oklahoma accents tell us that reacting to life on a moment-by-moment basis isn't the best way to accomplish our

Lists are so stacked with predictability that they require a vomit bucket while reading them. What kind of goals do most people typically write into their Bucket Lists? Things they think they *should* want to do before they die. Things they imagine they're *supposed* to strive for while on this mortal coil.

Stupid shit that reads much better on paper than it does actually going out in the fucking miserable world and doing it.

Every Bucket List abounds with similar do-gooder, basic cable bullshit.

Call me whatever you wish, but I personally can't think of a single fucking reason in the entire world why I possibly or purposely should go live in a cow-shit shack and dig wells in

sub-malarial Africa.

Climbing Mt. Everest? Do you know how many hookers could be banged for the \$60,000 it cost to cross that dusty forlorn shithole known as the country of fucking Nepal just to get to base camp, 16,000 feet above sea level? I think I'd rather peel my penis with a potato slicer. Risking life and

it and then shitting it out again.

Go for a Nighttime Bum Hunt. Get loaded on crappy beer and find a really nutty homeless woman who wants to earn an extra \$2 and demand change after you tag and bag her ass. Be sure to bring bug spray and apply liberally.

I'm more likely to find life-fulfilling

character, Edward Cole, in *The Bucket List*: "Here's something to remember when you're older, Thomas, never pass up a bathroom, never waste a hard-on, and never trust a fart."

Basically, do shit that you really want to do!

You don't need to have a terminal illness in order to have a Bucket List.

BANGKOK, THAILAND IS FULL OF RELATIVELY CHEAP WHORES WHO WILL DO JUST ABOUT ANYTHING FOR THE PRICE OF A MEDIUM-SIZED PIZZA.

limb in a remote wasteland peppered with the permanently frozen bodies of all the previous climbers who *didn't* make it—is not my idea of a life goal or a good time. I don't even like it when bellboys bring my bags up to my hotel room, so I'm sure as hell not going to feel comfortable having a Sherpa carry my shit 26,000 feet into the death zone. All just to say I climbed to the top of a fucking mountain. It's not like there's any wet pussy on top of the summit. Why go?

If I'm going to find myself working in the hot-ass sun risking heat stroke, I'm much more likely to find myself high as fuck on an Afghani opium poppy farm than working on an organic free-trade emu farm in the Australian Outback.

As fulfilling as it sounds to sweat your ass off rebuilding post-earthquake downtown Haiti, I think I'd rather inject myself with microscopic IV glass shards and the scarlet-tinged AIDS wastewater from a Port au Prince port-a-potty.

Rather than going on a safari of Tanzania, I'd sooner take off on a dive bar tour of Portland for a mad Cougar expedition. Which brings me to the items on a real man's Bucket List: Fuck lions and tigers. The only feline worthy of getting into a Land Rover and chasing across the prairie steppes is the American Cougar: Specifically, those sexy, rich kittens 30-45 in age.

I'd rather see still photos of the oldest and richest Cougar I could land at a neighborhood bar than a blurry shot of a wildebeest taking a dump and then eating

moments wearing a rubber mask of President Nixon and robbing a bank with a group of degenerate surfers than swimming with a pod of humpback whales off the coast of Madagascar.

My Bucket List includes anywhere and everywhere that half-price hookers, nude beaches, sex clubs, cheap beer, legal pharmaceuticals, and loose women abound.

I don't watch many sunsets as it is, so why would I want to start in motherfucking Burma? Bull semen, lemurs, eerie rock formations, a GPS unit, wildebeests, hot air balloon festivals, pork knuckles, and an oboe—these are things that are not going to be on my Bucket List. I'd rather die than do any of them. Call it my Anti-Bucket List. If I ever catch myself journeying to Mozambique to teach the poor people yoga, it's time to kill myself.

To quote Jack Nicholson's

We spend so much of our lives doing what is expected of us and what other people *want us* to do. It's time to take control of who and what *we* want to do. Follow your bliss. Fuck a deaf girl in the ear until she can hear.

Start with some simple tasks and check them off. Bang every color, creed, religion, culture, etc. A black girl from Detroit fucks differently than a black girl from Ethiopia. An Armenian from Calabasas fucks differently than an Armenian from Yerevan. Blondes. Brunettes. Curly haired. Straight haired. Asian. Have sex with one from each country.

Bangkok, Thailand is full of relatively cheap whores who will do just about anything for the price of a medium-sized pizza. But as hormones become more widely and cheaply available, it's getting harder to tell the women from the men from the women who *used* to be men. Just a few hundred miles away, the lovely country of Cambodia is finally coming out of the destitution and incredible suffering and unspeakable crimes committed

against its people because of our Southeast Asian policies both during and after the Vietnam War. Luckily for the American man out on the prowl, Pol Pot didn't leave too many survivors or witnesses alive to know that they should hate us. The country has a young population, and the Cambodian countryside is as beautiful

and cheap as the young cocoa-colored whores who stand on the street every night ready to please you.

Every man should have a three-way at least once in his life. That way, he'll have had the experience of it and will no longer wonder what it's like to have two women in bed at the same time.

One is plenty. Two is okay, so long as they don't know each other very well or don't speak the same language.

If you've made it this far in your life without getting into a real, knockdown fight, go hit somebody in the face and enjoy the rush of hand-to-hand combat. First let him get in a couple of shots so you can feel that cast iron feeling ringing in your head. And then go fuck an ugly chick and cum on her face. It will make you feel good.

Find the fattest, most obese woman you possibly can: in other words, check in the craigslist classifieds. Look for a girl who says she's a BBW [Big Beautiful Woman], "not fat, but a little thick." She will be shaped like a barrel and smell like one, too. Without the aid of any penis pill, complete the fuck. Bang her like hellfire until you pull out and your dick is covered in burlap. Pull the folds out of the way, avoid the bedsores, but maintain an erection. There's your fucking Mt. Everest.

The Mile-High Club is one of those lame, yuppie fantasies that everyone

womb is a fun fantasy that even the great Jack Kerouac indulged in, and after sitting on a bus for three days without a shower and eating only bus station food and hanging out with bus people, nothing feels better than slowly and quietly banging that girl in your seat while an 86-year-old Filipino woman watches from her seat behind you. You're disgusting, she's disgusting, the act itself is pretty fucking disgusting; so is having to ride the bus.

Dating is supposed to be fun, but people take it way too seriously. After one date with a girl, get a good picture of her with your cell phone. Have the picture blown up and attach it to a poorly made life-sized doll made out of straw or cardboard or Styrofoam peanuts. Paste her face onto the doll and then on the second date, bring her back to your place and bring out the doll. How long will your date last before she runs out screaming into the streets? Make sure that the doll's vagina is really torn up and then pathetically camouflaged, like a mass grave in Serbia. Apply some Scotch Tape or glue to the area. Do the same with the anal cavity for extra

laughs. Write the girl's name on the doll with your sperm and sit back and die laughing as she bolts for the door. She should flee very quickly, but for the moment that she's there, the look on her face should be priceless, and

shopping. Invest in some 13-inch anal dildos, rabbits, unicorns, double-ended dildos, etc.

Get married. No. Bad idea. Get divorced.

When you're dating a girl you want to break up with, but can't decide how to go about it, place an ad in the "Casual Encounters" section of your local newspaper. Say you want to swap girls with some dude. Find a hot chick and set it up at a local hotel. Bang the hell out of the swinging single and then once you get home, look your girl with disgust. How can you be with somebody who just took a filthy dick up her bunghole. It's fucking over.

Take your girl to a brothel in Nevada and get her a job hooking. Go through all the bullshit and set her up working full-time. Drop her off at work, go gamble and drink, and pick her up after her shift is done—or better yet, leave her there for weeks at a time. When you see her again, count your money and make sure she takes a bath in Lysol. Then dump her.

Anyone looking for sex in a public place is in effect asking to be looked at and perhaps found out. The likelihood of exposure—of being recognized by a partner or featured in the daily police blotter—is so high it should be factored into any sexcapede in a city park or an airport restroom. For some, this calculation no doubt stokes the heat of the encounter. Anyone who just wants to get it on with a stranger can usually do so in relative privacy. That's why God invented escort services.

FIND A SARAH JESSICA PARKER-TYPE GAL WITH A HORSE FACE AND CONVINCE HER TO WEAR A HORSE MASK WHILE YOU'RE BANGING AND GIVE HER A STANDARD THOROUGHBRED NAME LIKE "EATS SPERM."

and Cinemax plays up as though it were the end-all of airplane whims. Sure, banging a broad in the tiny, stink-ass shitter on a packed flight from Omaha to Ontario, California is fun, but there's nothing realer than sliding your coat over your lap on the Greyhound bus as you pull down some single mother's panties and slip inside her. Invading her inner-city

last more than a lifetime.

Sex Toys are fun, mostly for women. If she has a birthday coming up forget about the trip to the fancy restaurant. Take her to the porn store and buy her a handful of tokens. Let her fuck you in the filthy jerk-off booth. If there's a glory hole in your booth, let her be the one who gets to smash the dirty, diseased penis with her shoe. Go

Find a Sarah Jessica Parker-type gal with a horse face and convince her to wear a horse mask while you're banging and give her a standard thoroughbred name like "Eats Sperm" and lead her around the racetrack all day, banging her in the starting gate. Mount her, stallion style. Try to climb on her back while banging her and race her around the bedpost.

Try to donate sperm while dressed to look like a sex criminal. Wear a stained yellow undershirt and yellow-tinged prison-issue glasses.

Play Family Fuck Bingo: Try to bang everybody in a family that you can. Try to concentrate on the women.

Go to a comic book convention and pick up a nerd girl, one who believes in fairies and superheroes. Arrange to meet her for dinner in a bad part of town, and then forget to show up. Later, receive an angry text from her while she's being mugged by the neighborhood inhabitants.

and the other won't want anything to do with you. Fuck the one who likes you and jizz on the face of the one who doesn't.

Hit on elderly women. Talk nasty to them. Tell them how you want to take them home and lay their blue carpet wall-to-wall.

Sex in public is a neat rush, but most people do it in parking garages, elevators, and stairwells—primarily low-traffic areas. For a real rush, and possible erectile dysfunction, try an art museum, subway, and a restaurant.

Get wasted and go get the most

everything and anything of value. Then go out and do it again.

Film yourself masturbating, then falling asleep with spit in the corner of your mouth. Splice the surreal footage into your wedding video.

Fuck a cripple.

Last but certainly not least, now that you're officially an accomplished scumbag, don't forget to die. Now that you've done just about everything to yourself and your partners that you can do, it's time for you to go. Don't be a dick and linger. Kick the fucking bucket already. Your

HAVE SEX IN ALL 50 STATES. THEN HAVE BUTT SEX IN ALL THE STATES WHERE IT'S STILL ILLEGAL.

Become a Pick-Up Artist—go where the girls go and play by the numbers. Be a sleazy douchebag and live the PUA lifestyle. Dress like a douche in a tight bedazzled blouse. Talk like a douche. Practice your douche game. Try to name 1,000 girls and see if you get a single one to come home and bang you.

Try to hit for the Sexual Cycle. That means banging a girl in the pussy, mouth, ass, and one more random place [be creative]. For instance, you can choose to pull from your arsenal of old reliables: *Tittie-Fuck*, *Bagpipe*, *Dirty Sanchez*, or *Cincinatti Bowtie*.

Motivate yourself to become the Einstein of sinister sex moves like *The Cleveland Steamer*, *The Hot Lunch*, *The Donkey Punch*, *Flying Camel*, *Fishhook*, *The Ram*, *Bismarck*, *The Woody Woodpecker*, *Dogs in the Bathtub*, *The Bucking Bronco*, *Fish Taco*, *Chili Dog*, *Gaylord Perry*, *Glass Bottom Boat*, *Ray Bans*, *Snowmobile*, *The Dutch Oven*, *The Marshall Dillon*, *The Great Gildersleeve*, *Upper Deck*, *Hopping Pirate*, and *The Houdini*. Look these up on the Internet and know them by heart.

Fuck a chick with a paper bag over her head and a *HIGH SOCIETY* Centerfold taped to her face. Then go crazy and take your girlfriend out for a nice dinner and dancing.

Have sex in all 50 states. Then have butt sex in all the states where it's still illegal.

Find a pair of conjoined twins and be nice to one and awful to the other, play them, one will want to fuck you

obnoxious XXX-rated tattoo somewhere indiscreet, preferably your forehead. Whether it's the old "the one in the middle looks like Willie Nelson" joke or a pair of tits on your face, you can't go wrong inking it up.

Pick up the nastiest, freakiest dirtiest street hooker you can find. Set a price limit, such as, "I will not spend more than five dollars!" and then go out in the city and find your five-dollar whore. They're out there. You don't know who or what you'll stumble upon.

Get yourself kicked out of a whorehouse, a stripclub, and massage parlor all in the same night.

Loud sex is fun, especially when you live in an apartment building with really thin walls, but it's even more fun when you add lines to your sexual audition like, "Oh, yeah! Oh, yeah! Your feet are so fuckin' huge!"

Take your paycheck—your entire paycheck—and blow it all on gambling, liquor, whores, and any kind of vice you can think of. Wake up, look around your house or apartment and pawn

life is officially over!

THE CUM STRING QUARTET

31759

Jordan is one lucky fucking bastard. A blow-and-go is a rare and welcome treat any time or place. But having a pair of sexy women sucking the mucky ball syrup from your dick is twice as nice—allowing one set of plump lips to mouth your sack while the other wraps around your dick and slowly drags back and forth over the head and shaft of your penis until you blow hot chunks of love vomit right into their sweet, smiling faces. A horny meat-eating trio can trim your front hedges while rimming out your back bowl at the same time. But looking down and getting head from a crack four-girl cock squad like **Diana, Sienna, Janet,** and **Ariella** is a truly monumental experience, a little like being blown by Mount Rushmore.

WHAT AN ASSHOLE

Black Kitty is a self-described anal-loving freak show and a buttsex-loving feline with a buxom booty. She loves to have her shapely hind melons eased apart and her sweet butt-pussy gently stretched open with a hot wet tongue and a butt plug. "I've taken tons of tongue up my ass," says the calico cum queen with the lovely back rack. But even with all that ass-play, Kitty's never had her wrong hole properly penetrated by an actual penis. "I'm saving my dirt track for the precious sanctity of the matrimonial bond," she winks. No surprise there—cats are notoriously selfish assholes!

The holidays are all about sharing, and **HIGH SOCIETY's** Holiday Issue takes that notion *literally*. Just ask **Rebeca Linares** and **Nicole Aniston**, who show their true holiday spirit by sharing Voodoo's magic-wand in a thrilling threesome! And speaking of ménage a trios, **Euro-slut Aliz** takes on two dicks at once as she crams every crevice full of cock! But we've got more than orgies and double-teams too, like the luscious blonde beauty **Angela Sommers'** solo scene, and **Anissa Kate's** date with a dick, which she titty-fucks and sucks to her horny heart's content! All this and more in our **end-of-year spectacular** which hits newsstands **October 2nd**—don't miss it!
